Good morning Glenda,

Per Judge Hughes' instruction, given during his conversation with Victor Vital regarding juror contact, we are sending you this email to confirm that we have notified Sean Beaty of the conversation and will cease communicating with jurors via the private investigator.

However, we understand from the call with Judge Hughes that we, as attorneys, can reach out to jurors in order to receive feedback on our performance. We would like to do that. Please confirm that we have permission to reach out to jurors and request this feedback. If the juror does not want to engage in the conversation, we will not pursue it further (per Judge Hughes' standing order).

Thanks,

Alicia
